Certificate II in Kitchen Operations  
SIT20416

YEAR 10 TO 12 EDUCATION, TRAINING & APPRENTICESHIP PATHWAYS

## VOCATIONAL EDUCATION & TRAINING COURSES

Year 11 and 12 students participate in a range of trade preparation VET courses which are offered as an integral part of the curriculum and contribute towards the achievement of the SACE. Trade preparation VET courses provide pathways into apprenticeships and traineeships through which students gain tertiary qualifications.

The trade training students experience can act as a bridge between school and entry into further tertiary qualifications in TAFE SA or university. Certificate II and III qualifications are achieved by satisfactory completion of the required number of competencies in nationally accredited courses. Each competency has an allocated number of nominal hours required to successfully achieve the competency. These hours are transferred into credits for achieving the SACE.

Students undertaking VET courses:

- gain practical and employability skills that employers recognise;
- gain credit transfer and/or advanced standing into other training courses;
- make valuable contacts with employers;
- prepare themselves for the world of work;
- can gain a nationally recognised vocational qualification in addition to their SACE.

*TAFE SA is responsible for the quality of accredited training and assessment provided and for the issuing of all qualifications and statements of attainment.*

The Food & Hospitality program prepares you for a world of opportunities in the dynamic and fast-paced hospitality industry. You will learn about the importance of hygiene in the kitchen along with a wide range of basic cookery methods, menu development, dietary requirements and food safety. Cookery students carry out all aspects of restaurant operations, including back-of-house and kitchen duties.

## POSSIBLE CAREER PATHWAYS

This qualification provides a pathway to work in kitchen operations in organisations such as restaurants, hotels, catering operations, clubs, pubs, cafés and coffee shops and institutions such as aged care facilities, hospitals and schools. Possible career pathways include:

- Chef
- Pastry Cook
- Cook
- Baker

COURSE CODE	SUBJECT TITLE	HOURS
BSBWOR203	Work effectively with others	15
SITHCCC001	Use food preparation equipment	25
SITHCCC002	Prepare and present simple dishes	25
SITHCCC003	Prepare and present sandwiches	10
SITHCCC005	Prepare dishes using basic methods of cookery	45

SITXINV002	Maintain the quality of perishable items	10
SITXWHS001	Participate in safe work practices	12

## INNOVATIVE STRUCTURE AND DELIVERY

St Patrick's Technical College offers great flexibility in its curriculum and timetabling to support and recognise the importance a wide variety of learning experiences plays in the development of students. The College maximises the use of SACE framework subjects to create subject specific content relevant to the changing demands of the trade courses it offers.

SACE subjects, including core Language, Literacy, Numeracy and Digital Literacy (LLND) programs, are specifically developed and delivered within a VET context.
